- Assist with social media accounts, such as Facebook

Necessary Skills

- Proficiency in at least one video editing program
- Basic knowledge of Adobe Photoshop
- Knowledge of Mac OS X & Windows XP Platforms
- Experience uploading videos on host sites, such as YouTube
- Willingness to become proficient in basic operation of MultiCam machinery
- Ability to work independently on the videos or with little supervision
- Friendly and articulate with professional demeanor
- Ability to think and problem solve independently
- Team player with a positive attitude
- Results driven
- Willingness to work on a PC

Experience and Education

- Video editing experience is required.
- Technical knowledge or experience of CNC cutting machinery is a bonus, but not required.
- Great opportunity for students majoring in film or visual arts!

Hours/Pay

- Intern 40 hrs per week – There is potential for Full-Time employment opportunities
- Min. \$10 PH (Pay based on current and previous employment experience)
